### PART TEN: Sins against the Holy Spirit

#### A. Sins by believers against the Holy Spirit

| #  | Scripture References | Teaching   |
|----|----------------------|--|
| 1. | 1 Thessalonians 5:19 | Quenching the ministry of the Holy Spirit in our own lives or in the lives of other believers              |
| 2. | Ephesians 4:30       | Grieving the Holy Spirit by sin in our own lives   |
| 3. | Acts 5:3             | Lying to the Holy Spirit by lying to other believers.  |
| 4. | Hebrews 10:29        | Insulting the Holy Spirit by regressing to pre-salvation attitudes and actions in trying to relate to God. |

#### B. Sins by unbelievers against the Holy Spirit

| #  | Scripture References  | Teaching  |
|----|---|---|
| 1. | Acts 7:51   | Resisting the Holy Spirit   |
| 2. | Matthew 12:31-32 cp.<br>Mark 3:28-30 cp. Matthew 12:24-30   | Blasphemy against the Holy Spirit. This sin is defined by the presence of both of these points: |
| a. | This sin is committed by those who saw Jesus' miracles and claims or who sincerely studied them in scripture.   |   |
| b. | They sincerely persist in believing and saying that Satan empowered Jesus' miracles instead of the Holy Spirit. |   |

### PART ELEVEN: The Holy Spirit and Future Things

| Ltr. | Scripture References                         | Teaching   |
|------|--|--|
| A.   | 2 Thessalonians 2:6-7                        | When church age believers are raptured, the Holy Spirit's ministry which began in a special way at Pentecost will become like His ministry prior to Pentecost.   |
| B.   | Zechariah 12:10; Joel 2:28-32; Ezekiel 39:29 | The Holy Spirit will be poured out on the whole house of Israel at the end of the future 7 year tribulation when Jesus Christ returns to earth to reign as king. |
| C.   | Jeremiah 31:33; Isaiah 11:2-3                | During Jesus' 1000 year kingdom, the Holy Spirit will be in God's people and upon Jesus the King.  |

### PART TWELVE: Problem Passages on the Holy Spirit

- A. There are passages where the Holy Spirit is received after salvation rather than at the time of salvation. In all of these cases there are some definite elements that appear to be present: These include the presence of at least one Apostle, the laying on of hands and the people who receive the Holy Spirit are Jewish or part Jewish.

| #  | Scripture References | Presence of Apostles                      | Laying on of hands by Apostles      | Jewish or part Jewish People                | Teaching   |
|----|----------------------|---|-------------------------------------|---|--|
| 1. | Acts 8:12-18         | vv.17-18<br>Peter and John                | vv. 17-18<br>yes by Peter and John  | v. 14<br>people of Samaria were part Jewish | Although Phillip had the hands of the Apostles laid on him in Acts 6:5-6, he had to wait until Peter and John came for them to lay on hands and impart the Holy Spirit to the Samaritans |
| 2. | Acts 19:1-7          | vv. 1-2<br>Paul                           | v. 6 yes by Paul                    | Probably                                    | These men were probably Jews because Acts 13:24 tells us John's preaching was directed to Israel. Also Acts 19:8 speaks of a synagogue at Ephesus.                                       |
| 3. | 2 Timothy 1:6-7      | vv. 6-7<br>Paul                           | vv. 6-7<br>yes by Paul              | Acts 16:1 yes part Jewish                   | Timothy was given the Holy Spirit who gives us love, power and a sound mind.   |
| 4. | Acts 2:38            | Acts 1:13-14; 2:1-<br>all of the Apostles | It is not stated one way or another | Jewish audience                             | Acts 2:5,39 tells us that the audience were all Jews   |

*Special Note: In the case of Cornelius and his household, who were Gentiles, the Holy Spirit was given at the time of faith in Christ (Acts 10:44-48; 11:14-18). Since 1 Corinthians 12:13 shows that all believers are baptized by the Holy Spirit, it is logical to conclude that this occurs at salvation. Since Romans 8:9 shows that anyone who does not have the indwelling of the Holy Spirit is not a true believer, then we know that the Holy Spirit must be given at the moment of trusting Christ (Galatians 3:26;4:6). Given the fact that the spiritual gift of Apostle was either primarily or exclusively foundational (Ephesians 2:20), this argues for the passages in the table above being foundational and transitional.*

### B. Acts 5:32 – What type of obedience is needed to receive the Holy Spirit?

*Special Note: The obedience discussed here is not day-by-day obedience but is obedience to the message in Acts 5:31 which was to repent, i.e. change their minds and trust Christ for salvation. Acts 6:7 also suggests that this obedience is to the faith of the gospel. Romans 10:16 which is correctly translated by the K.J.V. and N.K.J.V. as “obeyed the gospel” shows that this obedience is to believe” our report” or “our message.” Peter is the primary spokesman in Acts 5:29-32 and uses the term “obey” or “obedience” as meaning the same as obeying the gospel, i.e. to place one’s faith in Christ. The table below shows how many times Peter does this throughout the book of 1 Peter.*

| #  | Scripture References | Teaching   |
|----|----------------------|--|
| 1. | 1 Peter 1:2          | The Holy Spirit sets the believer apart prior to salvation so that he can obey, i.e. place his faith in Christ and be sprinkled with Christ’s blood.   |
| 2. | 1 Peter 1:22         | Believers have purified or cleansed themselves by obeying the truth for a sincere love of fellow-believers. This obedience is placing their faith in Christ and results in love for fellow-believers (cp. 1 John 3:14). 1 Peter 1:23 shows this is the obedience of faith that brings initial salvation. |
| 3. | 1 Peter 2:7-8        | The disobedience to the word in v. 8 is applied to those who do not believe in Christ for salvation  |
| 4. | 1 Peter 3:1-2        | Those who do not obey the word are obviously those who have not trusted Christ. The N.I.V. went ahead and just translated it as “not believe” for meaning rather than word equivalence.  |
| 5. | 1 Peter 4:17-18      | The household or family of God and the righteous are contrasted with those who “do not obey the gospel” which obviously means to not believe the gospel.   |

C. John 20:22 – To understand this verse and this scene, one must understand the Holy Spirit’s ministry prior to Pentecost and during Christ’s earthly ministry.

| #  | Scripture References              | Teaching  |
|----|-----------------------------------|---|
| 1. | 1 Samuel 16:13-14;<br>Psalm 51:11 | During the Old Testament times prior to Christ’s earthly ministry, the Holy Spirit could and did leave believers.   |
| 2. | Luke 11:13                        | During Christ’s earthly ministry but prior to Pentecost in Acts 2, the Holy Spirit could be requested by prayer.  |
| 3. | John 14:16-17                     | Evidently the disciples had taken Jesus at His word in Luke 11:13 because the Holy Spirit was said to be “with them” at this point during Christ’s earthly ministry. John 14:16,17 makes it clear that the Holy Spirit staying forever would not be true until Jesus asked the Father to send the Holy Spirit which would not be until Jesus had gone away, i.e. ascended. Then He would give Him at Pentecost. |
| 4. | John 20:22                        | Jesus breathed on His disciples and told them to receive the Holy Spirit. This statement shows that He must have departed in keeping with item 1 above when the disciples deserted Jesus. By doing this, Jesus was showing that He had forgiven them and restored them for their desertion of Him on the night before His crucifixion.  |
| 5. | Acts 1:5; John 14:16-17;<br>16:7  | It is clear that the disciples were still to receive the Holy Spirit in a way that they had not done up to the time just before He ascended into heaven. This, of course, referred to His baptizing work and His permanent indwelling of each believer  |

### D. The anointing of the Holy Spirit

| #  | Scripture References               | Teaching  |
|----|------------------------------------|---|
| 1. | 2 Corinthians 1:21-22              | The anointing of the Holy Spirit is associated with the sealing of the Holy Spirit.   |
| 2. | Ephesians 1:13-14                  | The sealing of the Holy Spirit takes place at the moment we trust Christ. Therefore, since the two ministries of the Spirit are associated, they appear to occur at the same time.  |
| 3. | 1 John 2:20                        | Those who have this anointing are obviously believers since they are in contrast to those in 2:19 who had proven not to be believers.   |
| 4. | 2 Corinthians 1:21;<br>1 John 2:27 | The aorist tense is used for the verbs “anointed” and “received” and shows that the giving of the anointing is a one-time act and not a repeated act.   |
| 5. | 1 John 2:27                        | The present tense of the word “abides” or “remains” shows that the Holy Spirit in His anointing continues to be with the believer.  |
| 6. | 1 Corinthians 6:11                 | Because the anointing was used throughout scripture to set apart people for special service, this would appear to refer to the positional sanctification that each believer experiences at the moment he trusts Christ for salvation. |
